## DETAILED ACTION

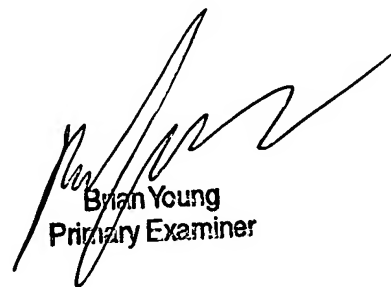

### *Allowable Subject Matter*

1. Claims 1-12 are allowed.
2. The following is an examiner's statement of reasons for allowance: The prior art fails to show a first register for storing one or more symbols from the second plurality of variable length codes and a portion of a particular symbol from the second plurality of variable length codes; and memory for storing the contents of the first register after storing the portion of the particular symbol from the second plurality of variable length codes in the first register as called for in claims 1, 5 and 9. Therefore, claims 1-12 are allowed.

### *Conclusion*

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to John B Nguyen whose telephone number is (571) 272-1808. The examiner can normally be reached on 8AM-4:30PM M-F.
